What Happens Next?

If your claim is accepted, you will be compensated, based on Resort Marketing Group, Inc's Call Records, for each call received to the phone number at a maximum of three calls. The value of each call is capped at \$300. The most you can receive per telephone number is \$900. If the number of claims filed does not allow for compensation at the maximum amount, then you will receive a pro rata share of the Settlement Fund after the payment of Attorneys's Fees and Expenses, the Incentive Award, and Settlement Administration Expenses.

You can confirm whether you received telemarketing calls that are part of this class on another residential or cellular telephone line during the class period via the Settlement Web-Site. You can file one claim per phone number and recover for up to three calls made to each line.
